

East Side Glory

Marnie Stern

Ah ah ahhaa
Quick and silver paintings
Everyone is faking
And the gold rush comes undone
Send me to the ancients
Where they really changed it
The plan was to do this forever
Can I still?
Too much hesitation
Just go out and make it
Can instinct come and go?
Too much incubation
Everyone is changin'
I dont know why, I can barely hear
Saved something for youuuu
Quick and silver paintings
Everyone is faking
Can instinct come and go?
I dont know why, I can barely hear!
Wonder where I was when I went in the car last night
Aaaaa aaaaaa Aaaaa aaaaaa
