

# The Things You Notice

**Marnie Stern**

I got. I need. I got a really special one  
I got. I need. I got a really special one  
I'm not. I'm not. I'm not gonna let him go  
I'm not. I'm not. I'm not gonna let him go

You're that one  
Our love settles down. Into soft sweet sounds  
You're that one  
I lost and you found. I lost and you found  
I was lost and you found me

You understand. You in my thoughts  
You in my heart. You are my plan  
You win my heart. You understand  
You in my thoughts. You win my thoughts
