Wolves

Marnie

Hope or pray, but how long
before their cruel minds answer you?
Ha ha ha ha

Hope until we make the rules,
Hold on, how long?
Ha ha ha ha

Blow by blow, oh how long
before you grace us with your song?
Ha ha ha ha

So come with me,
Come with me,
Come with me,
Come with me,
Come with me,
Come with me,
There's a place where you can go, you're angry!

Raise all your voices
Gimme all your hands, take the chances
Don't be fooled, wolves in disguises,
All your hands! All your hands!
Hail for better days!

Raise all your voices
Gimme all your hands, take the chances
Don't be fooled, wolves in disguises,
All your hands! All your hands!
Hail for better days!

Fear or change, oh come on,
And grab your fight and follow though
Ha ha ha ha

Distance will set us apart
Come on, dream on
Ha ha ha ha

Blow by blow, oh how long
before we make it on our own?
Ha ha ha ha

Raise all your voices
Gimme all your hands, take the chances
Don't be fooled, wolves in disguises,
All your hands! All your hands!
Hail for better days!

Raise all your voices
Gimme all your hands, take the chances
Don't be fooled, wolves in disguises,
All your hands! All your hands!
Hail for better days!
