Denim Jacket

Maroon 5

You're standing there with your cigarette
Looking at me like we've never met
I know I fucked up
So I'll take the blame
And I don't expect you, to let me explain
You can't forgive, I can't forget
I know you are just too different now

But I miss you and that denim jacket
I let you get away
I let you get away
Do you still wear that denim jacket
I let you get away
I let you get away
Cause the color of that blue sky
Just reminds me of our goodbye
Do you still wear the denim jacket
I let you get away
I let you get away

Now someone else is taking you home, yeah
Hands on the waist
I used to hold
And I know it's my fault
I'm late to the dance
Cause you couldn't wait for me and I understand
Why you never look back
Once that door closed
I know you are just too different now

But I miss you and that denim jacket
I let you get away
I let you get away
Do you still wear that denim jacket
I let you get away
I let you get away
Cause the color of that blue sky
Just reminds me of our goodbye
Do you still wear the denim jacket
I let you get away
I let you get away

Do you, do you still?
Do you, do you still?
Do you, do you still
Do you still, do you still
Wear that denim jacket?
Do you, do you still?
Do you, do you still?
Do you, do you still
Do you still, do you still
Wear that denim jacket?

You're standing there with your cigarette (yeah)
Looking at me like we've never met

But I miss you and that denim jacket

I let you get away
I let you get away
Do you still wear that denim jacket
I let you get away
I let you get away
Cause the color of that blue sky
Just reminds me of our goodbye
Do you still wear the denim jacket
I let you get away
I let you get away

Do you, do you still?
Do you, do you still?

Do you wear that denim jacket?
