

# Middle Ground

Maroon 5

I need peace, I need hope, I need guidance  
I need more than myself  
I need light, I need life, I need what I never felt

Sisters and brothers are picking sides  
And both of our mothers are terrified  
And I'm crying out to an empty sky  
Tell me, if I hit the ground  
And I fall down to my knees, would you hear the sound, am I  
Crazy to think that we could make it out, am I  
Crazier to believe there's a middle ground

I'm so up, I'm so down, I'm so broken  
I'm so tired I can't sleep  
I'm not mine I'm not yours  
I'm not sure of anything

Ohh, sisters and brothers are picking sides  
And both of our mothers are terrified  
And I'm crying out to an empty sky  
Tell me, if I hit the ground  
And I fall down to my knees, would you hear the sound, am I  
Crazy to think that we could make it out, am I  
Crazier to believe there's a middle ground

Middle ground there's a middle ground  
I don't need someone to love, I just need someone to live for  
Middle ground, there's a middle ground  
On my knees, where I belong, please tell me  
If I hit the ground and I fall down to my knees  
Would you hear the sound, am I  
Crazy to think that we could ever make it out, am I  
Crazier to believe there's a middle ground

Middle ground there's a middle ground  
Crazier to believe there's a middle ground

Middle ground there's a middle ground  
I need you to believe  
Oh, there's a middle ground
