

Plastic Rose

Maroon 5

All I gave to you
Was my heart, my keys, my bed, my home
All I gave to you
Was my time, my green, my favorite jeans, and everything you choose

Tell me how how how, how, how how how
Can you take off that
Can you take off that
Tell me how how how, how, how how how
Oh can you take off that
And give one thing back

Baby all you gave me was
Baby all you gave me was a plastic, plastic
How you make it feel like love
Baby all you gave me was a plastic rose
Baby all you gave me was (all you gave me was)
Baby all you gave me was a plastic, plastic (plastic, plastic)
How you make it feel like love (make it feel like love)
Baby all you gave me was a plastic rose

All I asked to you
Was to prove to me that you're real
All I need from you
Was the pose to breathe the sunlight something I could feel

Tell me how how how, how, how how how
Can you fake off that
Can you fake off that
Tell me how how how, how, how how how
Can you fake off that
Cause our love are dead

Baby all you gave me was
Baby all you gave me was a plastic, plastic
How you make it feel like love
Baby all you gave me was a plastic rose
Baby all you gave me was (all you gave me)
Baby all you gave me was a plastic, plastic (plastic, plastic)
How you make it feel like love (make it feel like love)
Baby all you gave me was a plastic rose

You were something beautiful I know
I wonder why our love could never grow
But you used to get high not anymore, anymore

Baby all you gave me was (all you gave me)
Baby all you gave me was a plastic, plastic (plastic, plastic)
How you make it feel like love (make it feel like love)
Baby all you gave me was a plastic rose
Baby all you gave me was (all you gave me)
Baby all you gave me was a plastic, plastic (plastic, plastic, yeah)
How you make it feel like love (make it feel like love)
Baby all you gave me was a plastic rose

Plastic rose, yeah
