Ragdoll

Maroon 5

How ya feelin'?
The day has had its way with both of us
And oh, I've gone out of my way
But I'm not free
From this pain I'm feeling
I was a fool to think someday
You would come around
But no, no, no
I'm not thinking that way

'Cause now i see
You are not what you seem
You are a mystery to me
Sometimes I just want to scream

I think you should just go away 'cause
There's no necessity for you to stay and
Next time you come around my way
Forget it baby
You're not comin' in

How's your day been? (yeah)
'Cause mine has taken strange and ugly turns
But no, no, no
I feel better today
Because I'm off my knees

You are not what you seem
You are a mystery to me
Sometimes I just want to scream

I think you should just go away 'cause
There's no necessity for you to stay and
Next time you come around my way
Forget it baby
You're not comin' in
A hot minute for a life of sorrow
No you can't come back tomorrow
Shut my windows
Lock my doors
'Cause my heart won't be your ragdoll anymore (yeah)

I think you should just go away 'cause
There's no necessity for you to stay and
Next time you come around my way
Forget it baby
You're not comin' in
A hot minute for a life of sorrow
No you can't come back tomorrow
Shut my windows
Lock my doors
'Cause my heart won't be your ragdoll anymore (oh oh yeah yeah)

'Cause my heart won't be your ragdoll anymore
