1. Watch the sunrise
F
Say your goodbyes
E7
Off we go
Ami **D6**
Some conversion
F
No contemplation
E7
Hit the road
2. Car overheats
Jump out of my sea
On the side of the highway baby
Our road is long
Your hold is strong
Please don't ever let go oh no
- Ami** **B**
R: I know I don't know you
Gmi7 **Ami7**
But I want you so bad
Ami **B**
Everyone have a secret
Gmi7
But can they keep it
E
Oh no they can't
3. I Drive fast now
Don't think I know how
to go slow
Where you at now
I feel around
There you are

*: Cool these engines, Calm these jets
D6
I ask you how hot can get it
F
And as you wipe off beads of sweat
E7
Slowly you said "I'm not there yet"
