

This Summer's Gonna Hurt (Like A Motherfucker)

Maroon 5

This summer's gonna hurt like a motherfucker.
Fucker.
This summer's gonna hurt like a motherfucker.
Fucker.

Her body's hot,
Her body's like the summer,
I'm in a trance or something.
Her mind is not,
No.
As sharp as all her diamonds
She must be smoking something.
I see her dancing in the streets,
Sipping champagne on the beach.
It's so expensive when she eats,
Cuz she's so fancy.
I see her when I go to sleep,
Check my phone when I am weak,
She never posts anything deep,
Cuz she's so fancy.

This summer's gonna hurt like a motherfucker.
Fucker.
This summer's gonna hurt like a motherfucker.
Fucker.

She wants it all,
She's always taking something,
And now I'm left with nothing.
I'm ripping off, oh.
I'm ripping off that bandage,
Because I just can't stand it.
I see her dancing on a fool,
Like she's seventeen and cool,
She really thinks that she can move,
But it's just nasty.
I see her when I go to sleep.. I check my phone When I am weak,
She never posts anything deep,
Cuz she's so fancy.

This summer's gonna hurt like a motherfucker.
Fucker.
This summer's gonna hurt like a motherfucker.
Fucker.

Has to have it all, chases every star
She's so popular.
Has to have it all, chases every star
She's so popular.

This Summer's gonna hurt.. it's gonna hurt,
I see her dancing in the street
Sipping champagne on the beach.
It's so expensive when she eats
Cuz she's so fancy, cuz she's so fancy.

This summer's gonna hurt like a motherfucker.

Fucker.
This summer's gonna hurt like a motherfucker.
Fucker.
This summer's gonna hurt like a motherfucker.
Fucker.
This summer's gonna hurt like a motherfucker.
Fucker.
