

# Wipe Your Eyes

Maroon 5

I'm afraid that I gotta do what I gotta do  
But if I let you go, where you gonna go?  
We gotta make a change, time to turn the page  
Something isn't right, I don't wanna fight you  
We've been through tougher times, you know it gets worse  
We can turn this around please let me be first  
And as I feel your tears spilling on my shirt  
Something isn't right I don't wanna fight you

Hey you, come over and let me embrace you  
I know that I'm causing you pain too  
But remember if you need to cry  
I'm here to wipe your eyes

Tonight before you fall asleep  
I run my thumb across your cheek (across your cheek)  
Cry 'cause I'm here to wipe your eyes  
I know I made you feel this way  
You gotta breathe, we'll be okay (be okay)  
Cry 'cause I'm here to wipe your eyes

Oh nah nah oh nah nah nah nah  
'cause I'm here to wipe your eyes  
Oh nah nah oh nah nah nah nah

When did we cross the line?  
How could we forget?  
Why do we let the pressure get into our heads?  
Your broken heart requires all of my attention  
'cause something isn't right, I don't wanna fight you

Hey you, come over and let me embrace you  
I know that I'm causing you pain too  
But remember if you need to cry  
I'm here to wipe your eyes

Tonight before you fall asleep  
I run my thumb across your cheek (across your cheek)  
Cry 'cause I'm here to wipe your eyes  
I know I made you feel this way  
You gotta breathe, we'll be okay (be okay)  
Cry 'cause I'm here to wipe your eyes

Please don't lose your faith  
Don't worry 'cause I'm here to keep you safe  
I promise if you let me see your face  
That I won't let you down  
I won't let you down  
I'm here to wipe your eyes

Tonight before you fall asleep  
I run my thumb across your cheek (across your cheek)  
Cry 'cause I'm here to wipe your eyes  
I know I made you feel this way  
You gotta breathe, we'll be okay (be okay)  
Cry 'cause I'm here to wipe your eyes
