

## (reach) The Sun

Maroon

Endless insanity  
Recreation of symmetry  
Like two stars we make a whole  
Discipline and fantasy  
Strength and unity  
Of mind body and soul

TO REACH A HIGHER GOAL  
TO CREATE THE PERFECT SOUL  
REACH THE SUN  
WE WANT THE SUN

Towards the burning sky  
Arms open wide  
With honour and pride  
With honour and pride  
The search for ourselves  
In an ocean of others  
We have to reach the sun  
Anarchy of individuality  
Chaos and sympathy  
We have to catch the sun

TO REACH A HIGHER GOAL  
TO CREATE THE PERFECT SOUL  
REACH THE SUN  
WE WANT THE SUN

Towards the burning sky  
Arms open wide  
With honour and pride  
Reach the sun  
We want the sun

TO REACH A HIGHER GOAL  
TO CREATE THE PERFECT SOUL  
REACH THE SUN  
WE WANT THE SUN  
WE WANT THE SUN!
