

Lay on Me

Marques Houston

Something about how you look at me
Feels like you're still in my heart
And if I had one wish I'd still choose you
Just to have you in my arms, oh yeah

Can't find loyalty like you girl
So bad, intelligent too, yeah
I see a future with you babe
And I wanna be with you
So baby, let's just get away
I'll take you to another place
'Cause I just wanna lay up with you, with you, with you

Baby just lay with me
Baby just lay with me
Baby just lay with me
Baby just lay with me
Baby just lay with me
Baby just lay with me
Baby just lay with me
Baby just lay with me
Baby just lay with me
Baby just lay with me
Baby just lay with me
Baby just lay with me
Baby just lay with me
Baby just lay with me
Baby just lay with me
Baby just lay with me
Baby just lay with me

Don't know why I can't stop thinkin' 'bout you
Must be the sweet fragrance, girl
You always leave me with the best memories
I just wanna make love with you

Can't find loyalty like you
So bad, intelligent too, girl
I see a future with you, yeah
And I wanna be with you, yeah
So baby let's just get away
Let's take it to another place
'Cause I just wanna lay up with you, you, you

So baby
Baby just lay with me
Baby just lay with me
Baby just lay with me
Baby just lay with me (Baby, won't you lay with me?)
Baby just lay with me
Baby just lay with me
Baby just lay with me (Come on and lay with me, yeah)
Baby just lay with me
Baby just lay with me
Baby just lay with me
Baby just lay with me
Baby just lay with me
Baby just lay with me (Lay)

Baby just lay with me
Baby just lay with me
Baby just lay with me

Lay down with me (Yeah)
Baby won't you just come and lay down with me (Won't you lay down with me)
Lay down with me
Baby won't you just come and lay down with me (With me, just lay, just lay,
just lay, just lay)
