

Never Give You Up

Marques Houston

Thinkin' of the memories
Drownin' like a waterfall
My heart's been on ten degrees
Was frozen, so tears won't fall
You pick me up again
When the sun came up again
You pick me up again
When the sun came up again

I know we been through thangs
I still wouldn't trade you for nothin'
I don't want no exchange
You been holdin' me down, holdin' me down

She tryna go far, far without sinkin'
You played your cards, somethin' to believe in
I can never let you go

Drownin' out the haters when it comes to you
They don't understand, it's just me and you
Never cut the ties, never breaking loose
Never give you up
Countin' all the ways that I'm into you
They cannot compare to what I see in you
I'll do anything just to keep you
I'll never give you up

There's no love
Waiting for the sun to come out
There's no love that compares

Thinkin' of the memories
Drownin' like a waterfall
My heart's been on ten degrees
Was frozen, so tears won't fall
You pick me up again
When the sun came up again
You pick me up again
When the sun came up again

They don't understand my love for you
They keep talkin', but it don't mean nothin'
Girl, you're number one
And I don't know what to do without you, baby

She tryna go far, Far without sinkin'
You played your cards, somethin' to believe in
I can never let you go

Drownin' out the haters when it comes to you
They don't understand, it's just me and you
Never cut the ties, never breaking loose
Never give you up
Countin' all the ways that I'm into you
They cannot compare to what I see in you
I'll do anything just to keep you
I'll never give you up

There's no love
Waiting for the sun to come out
There's no love that compares

Thinkin' of the memories
Drownin' like a waterfall
My heart's been on ten degrees
Was frozen, so tears won't fall
You pick me up again
When the sun came up again
You pick me up again
When the sun came up again
