

Picture Perfect

Marques Houston

I think you're picture perfect
No gas at all, I could stare at you all day
I'd bet it all 'cause you worth it
Face card don't decline when you look that great
To me you're picture perfect

Yeah, you know you fine
I wouldn't change a thing, you a dime
Just for you, I put it all on the line
If they don't see it like I see it, then they blind
You don't really need that makeup
How you still top tier when you wake up
When I bagged her, I told her that we stuck
Girl, I only want your love

Yeah, in your bonnet on your off days with me
There's nowhere I'd rather be

I think you're picture perfect
No gas at all, I could stare at you all day
I'd bet it all 'cause you worth it
Face card don't decline when you look that great

Oh, baby, you're picture perfect
Seem like everything stop
As soon as you grace the room
Finding you was my purpose
Don't got a flaw in sight and if you did, that makes you you
To me you're picture perfect

Can't get her off a my mind, I won't pretend
Frame got my head in the gutter but she a ten
I striked out my exes, brought home my blessings
She the lone star in my life, I call her Texas
Driving in that Bentley down the road with you
We don't even got nowhere to go, it's cool
Hair in a wrap, puttin' bodies in a bag
Way you still killed the city got me feeling kinda bad

Yeah, in your bonnet on your off days with me
There's nowhere I'd rather be

I think you're picture perfect
I think you're picture perfect
No gas at all, I could stare at you all day
I'd bet it all 'cause you worth it
You're worth it, baby
Face card don't decline when you look that great
When you look, when you look, yeah, aye
To me you're picture perfect

To me you're picture perfect, perfect, perfect, yeah
