I've got all this mess
Why don't you help me?
Why don't you help me?
Goddamn, you left me to be
I've got all this mess
Why don't you?
Why don't you help me?
I need some help
Some slingin' fuck
Drove under your bed and pick your ass up and fucking help me
I've got all of this meth under your bed
Fucking help me

Why don't you help me?
I'm stuck in this mess all by myself
I need some help
Why don't you?
Why don't you help me?
