

# Hear Me Out

Mars Argo

Should I feel small  
For wanting it all  
Can we be true?  
And feel like something new

Hear me out  
Hear me out  
Hear me out  
Hear me out  
You're all I think about

Should I feel small  
For wanting it all  
Can we be true?  
And feel like something new

Hear me out  
You're all I think about  
Hear me out  
You're all I think about  
Hear me out  
You're all I think about

You're all I think about  
You're all I think about  
You're all I think about  
You're all I think about

Hear me out  
You're all I think about  
Hear me out  
You're all I think about  
Hear me out  
You're all I think about
