Me Today

Mars Argo

When it hurts the most
Feeling all alone
Learn to let it go
I feel so alone
If you knew what I've been through
Then you might choose
To feel the way I do

Sometimes it's hard to say
I'm gonna be me today

When it hurts the most
Feeling all alone
Learn to let it go
I feel so alone
If you knew what I've been through
Then you might choose
To feel the way I do

Sometimes it's hard to say
I'm gonna be me today
