

# Butterflies

Marsha Ambrosius

Butterflies yeah  
Butterflies  
You give butterflies  
You give butterflies inside  
(You give me butterflies inside yeah)  
You give butterflies inside  
You give butterflies inside yeah yeah

All you got to do is just walk away and pass me by  
Don't acknowledge my smile when I try to say hello to you  
All you got to do is not answer my call  
When I am trying to get through  
Keep me wondering why don't you give a sign

I just want your touch and kisses  
I wish that I could be with you tonight  
You give me, 'cause you give me butterflies  
Inside baby

All I got say is that I must be dreaming  
Can't be real  
You're not here with me  
See but I can feel you deep in me baby  
I confess to let you taste us just so please full listen  
I will give you anything, just let my dreams come true  
Oh baby you give me butterflies

I just want your touch and kisses  
I wish that I could be with you tonight  
You give me butterflies inside

I just want your touch and kisses  
I wish that I could be with you tonight  
You give me butterflies inside  
(Baby break it down, break it down now)

If you will take my hand baby I will show you the way, guide you to the light  
If you will be my boy baby I will love you till the end of time

I just want your touch and kisses  
I wish that I could be with you tonight  
You give me butterflies

I just want your touch and kisses  
I wish that I could be with you tonight  
You give me butterflies inside

I just want your touch and kisses  
I wish that I could be with you tonight  
You give me butterflies inside
