

## Dear Tremaine

Marsha Ambrosius

How I wish you were here  
I miss you  
Want you to be right here by my side  
My side, yeah  
By my side

Here I go again, love  
I just can't pretend  
Like I'm not missing you for real, love  
I'm not giving in, love

I'm saying, you were right and I was wrong  
That's what got me to write this song  
Thinking 'bout you all day  
Weep 'bout you all day

I want you here, baby,  
Only you can hear me crying  
Smiles they do appear  
But it's not for you I'm lying

If I say that I don't care  
I don't want you to kiss me,  
Thinking 'bout you all they  
About you

Wish that you had stayed  
Just come back to me my baby

How I wish you were here, next to me  
Can't you see that I miss you  
Tell you how I feel  
And I want you to be right here  
By my bottom of my side

I hope you forgive me  
I remember fighting over  
What now would be nothing  
maybe now you will believe

Said I loved you from the very first day  
You will then be my everything  
You will be my everything  
I can't take this pain

It hurts to know that  
I can't reach my hand to you, baby  
I saw you the other day, now,  
And ever since I should have walked away from love

Wish that you had stayed  
Just come back to me my baby

But the stars above shine for your heart  
Can you hear me now?  
Since you've been gone  
Some days, I longed to tell how I do
