

Luh Ya

Marsha Ambrosius

The look in your eyes
The feel, the warmest touch of your hand (Baby)
The first, I knew it would be the last (Last time)
The last time I'd be kissin' someone else (Someone else)
And no one else for me would do
Ooh, yeah, yeah

And no matter what I'll always be right here for you, yeah
Don't matter what they say I'll stay so true to you
Whatever happens till the end I'll be so good to you
It ain't a question if I love you because I...

(Love you) You know I luh ya babe
(Love you) Said I luh ya babe
(Love you) You know I luh ya babe
(Love you) I luh ya babe

When you running these streets
Long as you come home to me
Baby, baby

The way that you are
don't change, I'll stay right here where you are
from the bottom I know that we've come so far
it's not honest but it takes care of us (Care of us)
I know you will always be the one, yeah

And no matter what I'll always be right here for you, yeah
Don't matter what they say I'll stay so true to you
Whatever happens till the end I'll be so good to you
It ain't a question if I love you because I...

(Love you) You know I luh ya babe
(Love you) Said I luh ya babe
(Love you) You know I luh ya babe
(Love you) I luh ya babe

Ooh, they won't understand why
'Cause it's all that we know tonight, baby
My baby, yeah, yeah
You're still running these streets
Long as you come home to me, baby, baby

And no matter what I'll always be right here for you, yeah
Don't matter what they say I'll stay so true to you
Whatever happens till the end I'll be so good to you
It ain't a question if I love you because I...

(Love you) You know I luh ya babe
(Love you) Said I luh ya babe
(Love you) You know I luh ya babe
(Love you) I luh ya babe
