

# Music Of My Mind

Marsha Ambrosius

There's so many things that I could tell you  
But right now I just wanna say thank you  
I love you

I love you more than the rain or shine (I could tell you)  
And making love in the rain is fine (I could tell you, baby)  
I wanna love you and call this mine (Oh, I could tell you)  
Give me your time, ooh  
Take me back there

Baby, please, forget me not  
Like that, yeah  
I want you to remember  
Make me remember, babe

Like, all you gotta do is say yes, babe (Say yes, bae)  
But you're so far away  
And every minute you're gone, I'm missing you every day  
All I need is that late night and early morning  
You know I want you to stay, oh baby  
Play with me, baby

Send me forget me nots  
To help me to remember  
You give me butterflies inside, inside  
Baby please forget me not  
I want you to remember

It's that Wu-Tang or that Coltrane  
Remember when we used to hang outside in Purple Rain, yeah  
Screaming "Money Ain't a Thang!"  
I'm talking Quincy Jones, Sidney Poitier, Nat King Cole or that Etta James  
Rocking Freddie Mercury  
Dionne, Burt Bacharach  
Ooh so Notorious it was glorious  
Solo to Jaco Pastorius  
This Ambrosius  
Still they can't fuck with us (Nah)  
Earth Wind & Fire  
And Desire, Teena, Rick James  
Man, I listen to everything  
Everything, yeah  
Tell 'em how you feel, Marsh  
Tell 'em how you feel  
MJ, J-Dilla  
Put on that Marcus Miller  
Murder Ma\$e, Cam Killa  
Ms. Patti, Funkadelic, George Clinton, no kidding  
Put on that Duran Duran to Talking Heads  
Luke Skywalker with a couple friends  
Soul II Soul, Loose Ends  
Blue chick in the Fifth Element  
Sentimental Mood, Duke Ellington  
Cab Calloway, Billie Holiday, Sade, Miles Davis ooh my favorite  
Can't forget that Jodeci  
It's the motherfuckin' D-R-E  
Mamba mentality
