

Old Times

Marsha Ambrosius

Just like old times
Just wanna love you right
Love you with all my might
Love you for life
Just like old times
Just wanna hold you tight
Love you with all my might
Love you for life

Mmh, I just want you home for dinner
But you just done hustling for a living
You gotta do what you gotta do to feed the children

And I'll be here waiting for you to come home
Those red and blue lights flashing and I pray
Oh, please, please, please come home

Just like old times
Just wanna love you right
Just love you with all my might
Love you for life, oh
Just like old times
'Cause right now we're afraid to see the news
Another name it could be you
If they say it to be true
Then we'll stay right here forever

Hashtag RIP, somebody else
Don't wanna be somebody else
Just like old times

Just like old times
Just wanna love you right
Love you with all my might
Love you for life
Just wanna hold you tight
Love you with all my might
Love you for life baby
Oh, just like the old times
Just wanna love you right
Wanna love you right, oh baby
