

Stronger

Marsha Ambrosius

I won't pretend that I intend to stop living
I won't pretend I'm good at forgiving
But I can't hate you although I have tried
I, I, I
That's pride, pride
Later on tonight
We fight through that shit

Like every other hour when I think about you
So now and then I drink about you
Trying to numb the pain with Juice and Gin
It's like abuse, what's the use of the bumps and bruises
If we moving towards a losing end
If I'm losing you then I refuse to win
Went from friendships with benefits
Funerals and your innocence
I can help you reminisce we in Madrid
On some double O 7 shit, we off the grid
Parting moments of pleasure,
we never thought we'd ever
Suffer the consequences,
the problem is, there's a problem trying to kick this addiction
We probably can't resolve it without causing some friction
This is non-fiction,
the definition of a true story
I'm like fuck pride baby that's the kind of shit you do for me
Suicide it's a suicide,
ready to die, you down to ride or what?

I won't pretend that I intend to stop living
I won't pretend that I'm good at forgiving
But I can't hate you although I have tried

I still really really love you
My love is stronger than pride
I still really really love you

Sitting here wasting my time, would be like
Waiting here for the sun to rise
It's all too clear things come and go
Sitting here waiting for you
Would be like waiting for winter
It's gonna be cold there may even be snow

I still really really love you
Love is stronger than pride
I still really really love you
Love is stronger
I still really love
Love is stronger than pride

My love, my love
Stronger than pride
Hey

In love, in love, in love
Oh (harmonized scales) no no
My love, my love, my love
