

Babe
Oh, babe
Baby

There I go, there I go
There I go, there I go
Call you up on the phone
When I need to give you some
You got me looking out my window
And I see the storm, baby
Stormy weather
Make me wanna get together
With you

Stay with you under the worst conditions
Lay with you in multiple positions
Anticipate precipitation
Now can you handle it, baby?
Get over here, put wheels in motion
On your loving I be overdosing
You make my heart stop
From cutting it close and
Baby, you were chosen
My heart
My heart
Ooh, my heart beats for you
My heart, baby
Yeah

You got that M-E-T-H-O-D man!
Do that thing, you do those hands
Kiss on this and make it dance
Take it baby, giving you permission
With persistence, oh I
L-O-V-E, I-T and
I can't get enough of this
Ocean flow below my legs
Swim in it, go diving inside
Inside my love, babe
Love, babe

Precipitation, baby
Falling on down on me, baby
Falling down on me, baby

So can you handle this, baby?
Mm, so put it in drive
Go for this ride outside
Perfect condition
To give you what you been missing
Mm, can you handle these curves?
You gotta swerve, better be careful, baby
Don't you get there too fast
Take your time for this simulation
I'm waiting participation
Precipitation

You can see inside me
Will you come inside me?
Do you wanna ride
Inside my love?
You can see inside me
Will you come inside me?
Do you wanna ride
Inside my love?
