

# Yvonne

Marshall Crenshaw

I went to a party  
Last night  
It was Dullsville  
'Til I caught sight of

Yvonne, hmm, Yvonne, yeah  
The girl by the window, Yvonne

Well, she looked into my eyes  
Turned me inside out  
It was bad, bad desire  
And I had to shout for

Yvonne, ah Yvonne, ooh yeah  
The girl by the window, Yvonne

Well, Yvonne, ooh, ooh, ooh, ooh, ooh  
You're fine and beautiful too, yeah  
And I want to love you a little while  
You know I do

I mean, I want to take you to my room  
Where I can hold you near  
She says, "Alright"  
And I'm still here

With Yvonne, oh Yvonne  
Hmm, the girl by the window, Yvonne

Well, Yvonne, ooh, ooh, ooh, ooh, ooh  
By you is where I wanna be, ooh wee  
And just to love you a little while  
And how you thrill me, oh yeah yeah

Yes, I've got to take you to my room  
Where I can hold you near  
She says, "Alright"  
And I'm still here

With Yvonne, hmm, Yvonne say now, now  
The girl by the window, Yvonne

Well, Yvonne, ooh, ooh, ooh, ooh, ooh  
Never let go and just hold me tight  
'Cause I want to love you a little while  
And baby it's all alright, oh yeah yeah

I tell you Yvonne  
I get dizzy in the head  
Start thinking  
'Bout Yvonne

Come on, come on  
The girl by the window  
Yvonne, Yvonne, Yvonne  
Sweet little girl by the window, Yvonne

Yeah, yeah, won't you take my love, baby?  
Come on, I said won't you take my love, sweet baby?  
Come on, my Yvonne, yeah
