

# Back In Time

Marshmello

I wanna go back in time  
I wanna go back in time with you  
So we can dance all night  
So I can dance all night with you  
'Cause the world is slowly ending  
And the only thing I have is you  
I wanna go back in time  
I wanna go back in time with you  
I wanna go

I wanna go back  
I wanna go back in time  
So we can dance  
So I can dance all night  
'Cause the world is slowly ending  
And the only thing I have is you  
So baby, baby, what it do  
Baby, baby, how are you?  
Do you wanna go back in time with me?

I wanna go back in time  
I wanna go back in time with you  
So we can dance all night  
So I can dance all night with you  
'Cause the world is slowly ending  
And the only thing I have is you  
I wanna go back in time  
I wanna go
