Back it up, back it up, back it up, back it up

Back it up, back it up
Back it up, back it up
Back it up, back it up, back it up, back it up
Back it up, back it up, back it up, it's Ms. Porsche

Ah, he just wanna see me back it up
Put his hands on my waist and smack it up
Told him he can only hit it if he wrap it up
If he packin', and his sex bracket up
Told him I'ma need a sign if he come in town
Just pick me up and we can go for rounds
His stamina never let me down
'Cause he can speed it up and then slow it down
I told him, "Ain't shit little, little"
Got a witness, watch it jiggle
It's like a tidal wave, wave wet for days
Make 'em drown put 'em in a hospital, uh
So if you wanna spend a day with me
Open 24, you gon' wanna stay with me
No [? 1:36] when I say I slay the beat
You better catch when I throw it, don't play with me
Uh, I know you love it when I slow it down
It's game time I ain't holdin' out
I know you love it when I poke it out
I'm tryna show you what this thing about
Daddy, you know I be acting up
I know you wanna see me back it up

It's about to go down, drop-drop that shit
Back it up, back it up, back it up, back it up
Daddy, you know I be acting up (Drop that shit)
Back it up, back it up, back it up, back it up
It's about to go down, drop-drop that shit
Back it up, back it up, back it up, back it up
Daddy, you know I be acting up

It's Ms. Porsche
He just wanna see me back it up, back-back it up, back-back it up, back
He just wanna see me back it up, back-back it up, back-back it up, back
He just wanna see me back it up, back-back it up, back-back it up, back
He just wanna see me back it up, back-back it up, back-back it up
