[English translation:]

When I am with you
I am not bothered by anyone
I don't care about anyone else
There's a great difference in how I feel
When I am with you
I see you, the most beautiful of them all
That's the truth
And nothing can change this

Seems like I am in love
Yeah I am in love
I am in love with the world
That smiles back at me just
Cause I am with you
Seems like I am in love
Yeah I am in love
And the happiness in your eyes
Is what compels me to admit it

Now I am sure that I can no longer live without you
By my side
And what more can I say
Not a second that passes by without missing you
And I am so relaxed when I am with you
And what shall I call this

Seems like I am in love
Yeah I am in love
I am in love with the world
That smiles back at me just
Cause I am with you
Seems like I am in love
Yeah I am in love
And the happiness in your eyes
Is what compels me to admit it
