

# Burn It Down

Marshmello

Now everybody  
Just inhale, just one last time  
Just breathe the air, the smoke will rise (The smoke will rise)  
Can you breathe? (-Eathe, -eathe, -eathe)  
Can you breathe?  
Now everybody  
Just inhale, just one last time  
Just breathe the air, the smoke will rise  
Can you breathe? (-Eathe, -eathe, -eathe)  
Can you breathe?

Fists raised  
Disarray  
Burn it down  
On my count  
Inhale  
Exhale  
Burn it down  
On my count  
Inhale  
Exhale  
Burn it down
