# Dreaming

**Marshmello**

Would you stay with me? Would you be my love as the days get longer?
Would you follow me and never let me go?

Let's keep dreamin'
Dreamin' as the sun goes down
Stars are dancin'
Dancin' as the world turns 'round and 'round and 'round and 'round

When it's said and done, I'll keep holdin' on even in the silence
I can hear your voice through all of the noise, yeah, hey

We'll keep dreamin'
Dreamin' 'til the sun the goes down, hey
We'll keep dancin'
Dancin' as the world turns 'round and 'round and 'round and 'round (Y
eah)

Dreamin' till the sun goes down

I will stay with you, I will be your love as the nights get longer
I will follow you and never let you go

Yeah, I keep dreamin'
Dreamin' 'til the sun comes out, hey
Stars are dancin'
Dancin' as the world turns 'round and 'round and 'round and 'round

Hey
Oh
We'll keep dreamin' (Keep on dreamin')
Keep on dreamin'
Dreamin' till the sun goes down (Keep on dreamin')
Keep on dreamin'

Oh, keep on dreamin' on
Keep on dreamin' on

Stars are dancin'
Dancin' as the world turns 'round and 'round and 'round and 'round

Hey
Oh
We'll keep dreamin' (Keep on dreamin')
Keep on dreamin' on
Let's keep dreamin' (Keep on dreamin')
Dreamin' as the sun goes down
Keep on dreamin'
