

# Happier

Marshmello

Lately, I've been, I've been thinking  
I want you to be happier, I want you to be happier

When the morning comes  
When we see what we've become  
In the cold light of day we're a flame in the wind  
Not the fire that we've begun  
Every argument, every word we can't take back  
'Cause with the all that has happened  
I think that we both know the way that the story ends

Then only for a minute  
I want to change my mind  
'Cause this just don't feel right to me  
I want to raise your spirits  
I want to see you smile but  
Know that means I'll have to leave

Know that means I'll have to leave  
Lately, I've been, I've been thinking  
I want you to be happier, I want you to be happier

When the evening falls  
And I'm left there with my thoughts  
And the image of you being with someone else  
Well, that's eating me up inside  
But we run our course, we pretended we're okay  
Now if we jump together at least we can swim  
Far away from the wreck we made

Then only for a minute  
I want to change my mind  
'Cause this just don't feel right to me  
I want to raise your spirits  
I want to see you smile but  
Know that means I'll have to leave

Know that means I'll have to leave  
Lately, I've been, I've been thinking  
I want to see you happier, I want you to be happier

So I'll go, I'll go  
I will go, go, go  
So I'll go, I'll go  
I will go, go, go

Lately, I've been, I've been thinking  
I want you to be happier, I want you to be happier  
Even though I might not like this  
I think that you'll be happier, I want you to be happier

Then only for a minute  
I want to change my mind  
'Cause this just don't feel right to me  
I want to raise your spirits  
I want to see you smile but  
Know that means I'll have to leave

Know that means I'll have to leave  
Lately, I've been, I've been thinking  
I want you to be happier, I want you to be happier

So I'll go, I'll go  
I will go, go, go
