

I'll Miss You

Marta Sánchez

Why baby don't you love me
Why did you runaway from me
You are everything I ever dreamed of
I need you, I want you
So baby can't you come back to me
Why baby don't you love me
I wish that I could turn back the time
I don't understand why we're still apart
I'm lonely without you
You're everything I ever wanted
I'll miss you loving me
I'll miss you kissing me
I'll miss you endlessly
I love you, I need you
I'll never be the same without you.
Why baby don't you love me
I thought you were the one for me
I believed in our destiny
I can't love another
My tears keep falling
Just like raindrops
Why baby don't you love me
I love you so honestly
In my heart I know I'll never change
There's only one true love
Don't think that I can live without you
I'll miss you ...
I'll miss you loving me
I'll miss you holding me
I'll miss you, we were meant to be
Forever and ever
I'll think of you till we're together
Baby, I'll miss you loving me forever
Baby, I'll think of you till we're together
I'll miss you, I'll miss you loving me
I'll miss you loving me
I'll miss you
I'll miss you holding me
I'll miss you loving me.
