

Once

Marta Sánchez

Once you said you loved me
Once you said you needed to be
Wrapped in my arms
All night long

I don't understand this
I don't know if I want to try
But when you look
Look at me that way, baby
Well that's no lie

Keep on, keep on talking to me, baby
Go on forever if you want to
But when you play
Play for me that way, baby
Well that's no lie, cause...

Once you said you loved me
Once you said you needed to be
Wrapped in my arms
All night long

Well, I think I understand it
I think I want to try
Cause when you play
Play for me that way, baby
Well that's no lie

And he says, Marta

I don't understand you
I don't know if I want to try
But when you look
Look at me that way, baby
Well, that's no lie, cause...

Once you said you loved me
Once you said you needed to be
Wrapped in my arms
All night long

Once you said you loved me
Once you said you needed to be
Wrapped in my arms
All night long
