

Sriracha

Marteen

You know baby, I've been meaning to tell you somethin' for a while now
It's really been weighing on me
I just gotta let you know
That-

Girl, you got a body like Sriracha
Every time I bring you 'round the homies wanna watch ya
Got it from your momma, but that ain't what she taught ya
Aye
That's why I call you Lil 'Racha
Aye, aye
Girl, you got a body like Sriracha
Every time I bring you 'round the homies wanna watch ya
Got it from your momma, but that ain't what she taught ya
That's why I call you Lil 'Racha
When you come around (Aye)
Spice it up (Yeah)
Every time you come around, you know you spice it up
Aye
When you come around (Aye)
You spice it up (spice it up)
Never turn it down, you know how to spice it up

What your recipe?
Put me on, what's your secret? (What's your secret?)
Them ingredients you got, girl that's just my weakness (just my weakness)
You're hotter than the sun well baby I know
You my Lil 'Racha, shining like a rhinestone

Girl you stuntin' on 'em (yeah)
Setting fire on 'em (yeah)
You the type I wanna put that on everything (my Sriracha)
Girl, you got it going (wow)
Everybody know it (yeah)
You the wild-type
That's just what I like

Girl, you got a body like Sriracha
Every time I bring you 'round the homies wanna watch ya
Got it from your momma, but that ain't what she taught ya
Aye
That's why I call you Lil 'Racha
Aye, aye
Girl, you got a body like Sriracha
Every time I bring you 'round the homies wanna watch ya
Got it from your momma (uh)
But that ain't what she taught ya
That's why I call you Lil 'Racha
When you come around (aye)
Spice it up (spice it up)
Every time you come around, you know you spice it up (spice it up)
When you come around (aye)
You spice it up
Aye
Never turn it down, you know how to spice it up

Get up on it, right away

Dinner's warm, appetite's ready (yeah)
Cinnamon caramel (ooh)
Yeah I love the taste
But nothing can take the place of, my Little 'Racha

Girl you stuntin' on 'em (yeah)
Setting fire on 'em (yeah)
You the type I wanna put that on everything (my Sriracha)
Girl, you got it going (wow)
Everybody know it (yeah)
You the wild-type
That's just what I like

Girl, you got a body like Sriracha
Every time I bring you 'round the homies wanna watch ya
Got it from your momma, but that ain't what she taught ya
Aye
That's why I call you Lil 'Racha
Aye, aye
Girl, you got a body like Sriracha
Every time I bring you 'round the homies wanna watch ya
Got it from your momma
But that ain't what she taught ya (nah)
That's why I call you Lil 'Racha
When you come around (aye)
Spice it up (mhm)
Everytime you come around, you know you spice it up (spice it up)
Aye
When you come around (aye)
You spice it up
Never turn it down, you know how to spice it up
