'Cause you've been alone for way too long, yeah babe

You just don't worry, I'm on my way right now
'Cause you deserve it, got things we could try out
You tell me to hurry, 'cause you wanna find out

And I know you like that
You save it for the boy, yeah
Got me on a flight back
I don't have to ask, she say it's all mine
Got me movin' fast, I ain't wastin' no time
