

# Ocean

Martin Garrix

You could put an ocean between our love, love, love  
It won't keep us apart  
You could build a wall, I would run it up, up, up  
Just to get to your heart

Tell me what you're crying for  
I'll wipe your tears, oh love  
If your soul is aching love  
We'll comfort you for sure

When my head goes in different directions  
You know my heart's never on the move  
And in the dark times you don't have to question  
If I'm 100 with you

You could put an ocean between our love, love, love  
It won't keep us apart  
You could build a wall, I would run it up, up, up  
Just to get to your heart

Just to get to your hea-  
Just to get to your heart  
Just to get to your hea-  
Just to get to your heart  
Just to get to your hea-  
Just to get to your heart  
Just to get to your hea-

Shadows play on idle hands  
I lose myself I do  
But I've found my way to velvet sands  
I'll crash right into you

When my head goes in different directions  
You know my heart's never on the move  
And in the dark times, you don't have to question  
If I'm 100 with you

You could put an ocean between our love, love, love  
It won't keep us apart  
You could build a wall, I would run it up, up, up  
Just to get to your heart  
If we're caught in a wave  
Baby, we'll make a way  
You could put an ocean between our love, love, love  
It won't keep us apart

Just to get to your hea-  
Just to get to your heart  
Just to get to your hea-  
Just to get to your heart  
Just to get to your hea-  
Just to get to your heart  
Just to get to your hea-

You could put an ocean between our love, love, love  
It won't keep us apart

You could build a wall, I would run it up, up, up  
Just to get to your heart

Just to get to your heart  
Just to get to your heart  
Just to get to your heart  
Just to get to your heart  
Just to get to your heart  
Just to get to your heart  
Just to get to your heart  
Just to get to your heart
