

# Dancing Type

Martin Jensen

Ba-ba-ba, ba-ah-ey  
Mm-ah-ma-ma-ma  
Ba-da-ba-ba  
Ba-ba-ba, ba-ba-ey  
Ba-da-ma-ma, ba-da-ba

I'm on my own at this party  
Just want a good time, oh yeah  
I'm not here to show all my heartache  
Yeah, I'm feeling fine

Because of you  
Now I know our love was all a game, all a game  
Because of you  
It was enough for me to break away, break away, yeah

So now I just wanna dance all night  
It's how I clear my mind  
I wish that I could cry  
But I'm the dancing type  
I gave you all my love  
But it was not enough  
Now you're someone else's guy  
And I'm the dancing type

Ba-ba-ba, ba-ah-ey  
Mm-ah-ma-ma-ma  
Ba-da-ba-ba  
Ba-ba-ba, ba-ba-ey  
Ba-da-ma-ma, ba-da-ba

Deep in the dark I feel better  
'Cause you're not around, yeah, yeah  
I can't feel my heart, it's lost forever  
But it won't bring me down

Because of you  
Now I know our love was all a game, all a game  
Because of you  
It was enough for me to break away, break away, yeah

So now I just wanna dance all night  
It's how I clear my mind  
I wish that I could cry  
But I'm the dancing type  
I gave you all my love  
But it was not enough  
Now you're someone else's guy  
And I'm the dancing type

Ba-ba-ba, ba-ah-ey  
Mm-ah-ma-ma-ma  
Ba-da-ba-ba  
Ba-ba-ba, ba-ba-ey  
Ba-da-ma-ma, ba-da-ba

Just wanna dance all night

It's how I clear my mind  
I wish that I could cry  
But I'm the dancing type  
I gave you all my love  
But it was not enough  
Now you're someone else's guy  
And I'm the dancing type
