She don't wear no Fashion Nova 'cause that shit ain't pricey  
Diamonds on her Prada bag, she told me that's an iced tea  
They try to bite her style, but that shit sounding like a type beat  
What's a type beat?

Yeah, hypebeast

Always with the ballers, but she handle them like Kyrie  
Burning like a candle, and she fire just like Kylie  
Try to take her home tonight, my brother, that's unlikely

Just to see you dance

Girl, I made some plans  
We can fly away  
Spend a week in France  
That's a quick romance  
How you so uptown but you from the ends?  
It don't make no sense  
Swear I love the way you take advantage  
You got me splashing (oh)

Yo, fresh white kicks with the Off-White tee  
Black shades, man, I'm feeling real dangerous  
Baddie be giving me eyes  
She ready to slide, she tryna get famous  
Baby, I'll put you in C's and give you this D  
I know you ain't basic  
She telling me she need that Birkin bag  
I just told her, "It's fine, I'm taken"
