

Guiltiness

Martin Jondo

guiltiness where to put the
guiltiness
oh my lord
guiltiness
who corrupted this life

there is so much trouble
you may say there's no end
yellow clouds black water
please help me my friend

there's alot of war
spaceships going far
where did it all begin
what are we aiming for

confusion
I really don't know what to do now
confussion
still the chaos goes on I don't know where to run to oh
no

solution
politicans will them really really bring us through
solution
when the morning sun do shine the rebel saves me and
you

guiltiness where to put the
guiltiness
oh my lord
guiltiness
who corrupted this life

well there's a lot of war
people say there's a lot of war
spaceships going far
spaceships dem a go go so far

where did all begin
where Jah Jah where Jah Jah
what are we aiming for
oh Jah Jah oh Jah Jah

there's a lot of injustice
and who's there to be judge
could it be a blessed human
or needs it to be a God

and who speaks the sentence
what is the worth of a tree
will there be a bright day
without captivity

still some want to be the leader in the house of the
rising sun but
don't you try to be the leader in the house of the

rising sun woe
still some want to be the leader in the house of the
rising sun but
don't you try to be the leader in the house of the
rising sun woe

guiltiness where to put the
guiltiness
oh my lord
guiltiness
who corrupted this life
