

# With A Little Help From My Friends

Martin Sexton

A Little Help From My Friends (Lennon/McCartney)

What would you think if I sang out of tune,

Would you stand up and walk out on me.

Lend me your ears and I'll sing you a song,

And I'll try not to sing out of key.

I get by with a little help from my friends,

I get high with a little help from my friends,

Going to try with a little help from my friends.

What do I do when my love is away.

(Does it worry you to be alone)

How do I feel by the end of the day

(Are you sad because you're on your own)

No I get by with a little help from my friends,

I get high with a little help from my friends,

Going to try with a little help from my friends.

Do you need anybody,

I need somebody to love.

Could it be anybody

I want somebody to love.

Would you believe in a love at first sight,

Yes I'm certain that it happens all the time.

What do you see when you turn out the light,

I can't tell you, but I know it's mine.

Oh I get by with a little help from my friends,

I get high with a little help from my friends,

Going to try with a little help from my friends.

Do you need anybody,

I just need somebody to love,

Could it be anybody,

I want somebody to love.

I get by with a little help from my friends,

Going to try with a little help from my friends.

Yes I get by with a little help from my friends,

With a little help from my friends.
