

# Allo Allo

Martin Solveig

Allo, allo  
I'm here tonight  
I'm here tonight  
Oh, oh no  
Falling every time  
Here I go  
Allo, allo  
I'm back to life  
I'm back to life  
So I know  
Guess I did it again

I'm back to life  
Here I go go go  
All ni-ni-night  
All ni-ni-night  
Some place real nice  
Here I go go go  
All ni-ni-night  
All ni-ni-night

Parles vous anglais?  
Parles vous français?  
Could we go someplace real nice?  
Could we run away?  
Do you speak anglais?  
Sorry désolé  
Could I maybe get to know you?

You look like trouble  
Like you're trouble

Allo, allo  
I'm here tonight  
I'm here tonight  
Oh, oh no  
Falling every time  
Here I go  
Allo, allo  
I'm back to life  
I'm back to life  
So I know  
Guess I did it again

I'm back to life  
Here I go go go  
All ni-ni-night  
All ni-ni-night  
Some place real nice  
Here I go go go  
All ni-ni-night  
All ni-ni-night

You can have my number  
You can call at eight  
You look like you're trouble  
Like you're trouble, yeah

Riding on a wave I'm in a bubble  
In a bubble  
You look you look you look like you're trouble  
I'm in trouble, think I like it though

Allo, allo  
I'm here tonight  
I'm here tonight  
Oh, oh no  
Falling every time  
Here I go  
Allo, allo  
I'm back to life  
I'm back to life  
So I know  
Guess I did it again

You make my heart go  
Ge-ge-get in the beat  
You make my heart go  
Boom boom boom, boom boom beat  
You make my heart go  
Ge-ge-get in the beat  
You make my heart go  
Boom boom boom, boom boom beat
