I've been searching for new definition It is time To come back and leave behind my inhibition Ease your mind This is how I'll pretend to be in favor Take your time And relax, keep fall in this trend dancer I want you too listen to me Rocking music set you free I want you to get inside Rocking music ease your mind Wanna see your body groovin' on Wanna see your body Really want to rock your body Eh, eh, eh All the time Hesitation is what took me so long It is time To see where the power bright no more In my file I deserve a little relaxation You look fine But before I guarantee the satisfaction I want you to I want you to listen to me Rocking music set you free I want you to get inside Rocking music ease your mind I want you to get inside Rocking music ease your mind I want you to get inside Rocking music ease your mind I think I got you, babe I can see the fire burning I think I got you, babe I can see the fire burning I think I got you, babe I can see the fire burning I think I got you To my rocking music I think I got you, babe I can see the fire burning I think I got you, babe I can see the fire burning

I think I got you, babe

I can see the fire burning I think I got you To my rocking music

Eh, no no no, oh
Rocking music
In your mind, in your mind
