

Adorable

Martina Balogová

Baby, my body's adorable.
Ooh, crazy how ya move me, baby.
Come, tell me, tell me something sexy.
You're what I'm thinkin' of,
you're what I'm thinkin' of.

Rush, honey, don't you keep me waitin'.
You do want me, there's no part a-fakin'.
You wanna feel my love,
you wanna feel my love.
(Come on, come on, come on, don't be late)

Baby don't be late, turn the lights down low,
I gotta pass for you, a seat front row.
I'm gonna show you places you never known.
I can be your fantasy, all for you is possible
'cuz baby, my body's adorable.
I won't give my love away easily,
but it feels like you are the one for me.
I'll be your genie, fulfill your every wish.
I'll take you to ecstasy, every move is possible,
cuz baby, my body's adorable.

Fantastic, almost intergalactic,
your touch ecstatic, I get lost in the magic.
You put a spell on me,
you put a spell on me.

Baby don't be late, turn the lights down low,
I gotta pass for you, a seat front row.
I'm gonna show you places you never known.
I can be your fantasy, all for you is possible,
cuz baby, my body's adorable.
I won't give my love away easily,
but it feels like are the one for me.
I'll be your genie, fulfill your every wish.
I'll take you you to ecstasy, every move is possible,
cuz baby, my body's adorable.
(Don't you think, don't you think, don't you think, don't you think?)
