

Paradise

Martine McCutcheon

Hoo ooh ooh hoo ooh hoo ooh
Hoo ooh ooh hoo ooh hoo ooh

Paradise is in your eyes
I saw it for a second
I love you wrong or right
It's killing me inside

Ohh, You're breaking me down
The love that I found
I'm under your spell
I'm feeling so dark alone and bruised and twisted
I'll never be your enemy
And I don't know if I could stay

Hoo ooh ooh hoo ooh hoo ooh

Lying low telling lies
Moving by the minute
Trying to read your trouble signs
They're changing every time

Ohh, You're breaking me down
The love that I found
I'm under your spell
I'm feeling so dark alone and bruised and twisted
I'll never be your enemy
And I don't know if I could stay

Hoo ooh ooh hoo ooh hoo ooh
And I don't know if I could stay
Hoo ooh ooh hoo ooh hoo ooh

You're breaking me down
The love that I found
I'm under your spell
I'm feeling so dark alone and bruised and twisted
I'll never be your enemy
And I don't know if I could stay
And I don't know if I could stay

Breaking me down
Breaking me down
Breaking me down
Hoo ooh ooh hoo ooh hoo ooh
