

Blessed Jesus, Should I Fall Don't Let Me Lay

Marty Robbins

Blessed Jesus should I fall don't let me lay
Pick me up and start me right again I pray
I'm so weak and You're so strong
Evil tempts me all day long
Blessed Jesus should I fall don't let me lay

Blessed Jesus should I fall don't let me lay
If I stumble and go down along the way
Savior Savior hear my plea
Give me strength to trust in Thee
Blessed Savior should I fall don't let me lay

Blessed Jesus should I fall don't let me lay
If there's evil in my heart don't let it stay
Let me give my life to Thee
Just as You gave Yours to me
Blessed Jesus should I fall don't let me lay

Blessed Jesus should I fall don't let me lay
Give me faith to love and trust and to obey
Pick me up and take me in
Save me from a life of sin
Blessed Jesus should I fall don't let me lay
