

## Each Night At Nine

**Marty Robbins**

A thousand miles, dear, a thousand more  
Across the water, across the shore  
Please say a prayer, dear, for yours and mine  
Please think of me, dear, each night at nine

The bugles playin', out go the lights  
Gee, but it's lonely these army nights  
Just tell the kids, love, I'm doin' fine  
Give them my love, dear, each night at nine

I have your picture close to my heart  
It takes your place while we're apart  
Helps to remind me that you're still mine  
Please think of me, dear, each night at nine
