

One Of These Days

Marty Robbins

One of these days it's gonna happen
And I won't look back when I walk away
One of these days I'll leave you sittin' flat
It'll happen just like that one of these days

One of these days I'll find the courage
And I'll be the man that I want to be
You'll laugh and you'll say
That I'm too weak to leave you
But I'll find my pride one of these days

One of these days you'll wake up cryin'
Like I've cried for you that same helpless way
You'll call my name, you'll scream and you'll whisper
Oh, how you'll hurt one of these days

One of these days I'll climb this mountain
And I'll reach the top, there must be a way
Then I'll look down on all this torment
I'll walk in the sun one of these days
