

## Try a Little Tenderness

Marty Robbins

She may be weary  
And women do get weary  
Wearing that same shabby dress  
And when she's weary  
Try a little tenderness

You know she's waiting  
Just anticipating  
Things she may never possess  
While she's without them  
Try a little tenderness

It's not just sentimental  
She has her grief and care  
And a word that's soft and gentle  
Makes it easier to bear

You won't regret it  
And women don't forget it  
Love is their whole happiness  
And it's all so easy  
Try a little tenderness

It's not just sentimental  
She has her grief and care  
And a word that's soft and gentle  
Makes it easier to bear

You won't regret it  
Women don't forget it  
Love is their whole happiness  
Oh it's all so easy  
Try a little tenderness
