Bullet

MARUV

[Verse 1: Maruv & Yury Muzychenko]
I gotta a bullet for you
You gotta a bullet for me
Nothing can't save us from truth
Nothing can't save us from tears
I gotta a bullet for you
You gotta a bullet for me
Nothing can't save us from truth
Nothing can't save us from tears

[Bridge: Maruv & Yury Muzychenko; both]
What if I break your walls
Or should I save my soul
Somebody help me please
Somebody help me please
What if I break your walls
Or should I save my soul
Somebody help me please
Somebody help me

[Chorus: Maruv & Yury Muzychenko]
What if I break your walls
Or should I save my soul
Somebody help me please
Somebody help me please
What if I break your walls
Or should I save my soul
Somebody help me please
How could I take that risk

[Post-Chorus: Maruv]
Don't, don't, don't hurt me
No, no, no, no, no
Don't, don't, don't hurt me
No, no, no, no, no
Don't, don't, don't hurt me
No, no, no, no, no
Don't, don't, don't hurt me
No, no, no, no, no

[Verse 2: Maruv & Yury Muzychenko]
I gotta a bullet for you
You gotta a bullet for me
Nothing can't save us from truth
Nothing can't save us from tears

[Chorus: Maruv & Yury Muzychenko]
What if I break your walls
Or should I save my soul
Somebody help me please
Somebody help me please
What if I break your walls
Or should I save my soul
Somebody help me please
Somebody help me!
Somebody help me please
Somebody help me!

Somebody help me please

[Post-Chorus: Maruv]
Don't, don't, don't hurt me
No, no, no, no, no
Don't, don't, don't hurt me
No, no, no, no, no
Don't, don't, don't hurt me
No, no, no, no, no
Don't, don't, don't hurt me
No, no, no, no, no
