

Call 911

MARUV

The sound of your voice was my everything
Now every morning in silence, it's so different
No happy songs to sing, just broken violins
I'm trying hard to forget
(Call 911 'cause I'm lovesick)

Baby, you got me
Lovesick
(Call 911 'cause I'm lovesick)
Baby, you got me
Lovesick
(Call 911 'cause I'm lovesick)

Baby, you got me
Lovesick
(Call 911 'cause I'm lovesick)
Baby, you got me
Lovesick

I'm moving on with my life, I'm moving on
I, I'm letting go
No pain, no head in arm
I wanna move on with my life, I'm moving on
The old pain is gone
No pain, no head in arm
I gotta move on with my life

The sound of your voice was my everything
Now every morning in silence, it's so different
No happy songs to sing, just broken violins
I'm trying hard to forget
(Call 911 'cause I'm lovesick)

Baby, you got me
Lovesick
(Call 911 'cause I'm lovesick)
Baby, you got me
Lovesick
(Call 911)

Uh
I can't eat, I can't sleep
Day by day, week by week
I've lost my mind 'cause I'm
Lovesick, lovesick
What have you done, done, done, done, done?
You better run, run, run, run, run
I have a gun, gun, gun, gun, gun
Call 911

Baby (Lovesick), you got me (Lovesick)
Lovesick (Lovesick)
(Call 911 'cause I'm lovesick)
Baby (Lovesick), you got me (Lovesick)
Lovesick (Lovesick)
(Call 911)

(Call 911 'cause I'm)
(Lovesick) (Lovesick)
(Lovesick) (Lovesick)
(Lovesick) (Lovesick)
(Call 911 'cause I'm lovesick)
(Lovesick)
